

CLARETTA STOOL

by Florian Schmid

Dal carattere parigino e ispirata alla sedia da bistrot tradizionale, Claretta è una sedia snella e accuratamente pettinata. È semplice ma dai dettagli importanti: le gambe, tornite, incontrano con decisione lo schienale che si inclina leggermente verso l'alto per garantire il massimo comfort. Impilabile per cinque, è disponibile anche con braccioli e nella versione sgabello.

Parisian in character and drawing its inspiration from the traditional bistro chair, Claretta appears as a slender, impeccably groomed seat. The design is simple yet sports essential details, such as the assertive way in which the turned legs join the backrest, which tilts out slightly towards the top to guarantee the utmost comfort. Stackable up to a height of five, it is also available with armrests and in a stool version.
