Talki Table

Talki Table

Each leg is connected through a rotational eg coupling, made from die cast aluminium. The function of which creates an agile table that can be reiterated to a large number of configurations to create a consistent visual look in the connected workplace.

The clean and simple design of the Talki system is available as an interactive table for conversation and on lockable castors to assist in creating a flexible workspace.

This product is Australian made and comes in a variety of sizes and finishes.

Available in 720mm height only.
